## CORRECTIONS AND CHANGES OF ADDRESS.

---

No complete list of names and addresses has been published since July, 1904. Therefore, in June we hope to publish the complete list up-to-date. Will every student kindly send her present address on a post card to the Editor *before June 1st*, or at once, if possible, that correct lists may be compiled. Will those students who know the whereabouts of others who from any cause have left the Association, kindly communicate them also, as the list should include everyone, for there is always hope that the stragglers may be recovered.
